# Intercultural communication

## **Knowledge**

- Has knowledge about how culture shapes one's identity and one's world vision.

## **Skills**

- Is able to respond to others in a non-judgemental and respectful way
- Is able to listen actively and to express openness

## **Attitudes**

- Is sensitive to nonverbal communication patterns in other cultures
- Respects others and their cultural, social and religious imprint, viewing difference as a learning opportunity
- Wants to avoid conflicts and misunderstandings that may evolve from cultural differences
